

CHILDREN IN NEED

Friday 15th November

Together we can make a difference to many children's lives.

Please join us on Friday 15th November to support this worthy charity who aim to provide grants to projects in the UK which focus on children.

You may be interested to learn that the Ellenor Lions Hospice in Gravesend and Waterside Centre have both received grants to support music therapy and to deliver a project to raise confidence and self-esteem improving life style and developng a healthy lifestyle.

We would like to make the word Pudsey out of your donations.

The children can come dressed in something spotty or wear anything they have purchased to support Children in Need for example a T shirt or headband.

Or come dressed in their school uniform with a Pudsy smile.

During the morning all children with coin donations can place their coin (be it gold or silver) to create the word Pudsey.

Thank you for helping us to support this special day that can help so many young childrens lives.

If you would like to donate please send in a coin to place on our special word on Friday 15th November in a named envelope.

Many thanks for your generosity.
